**CHAPTER COMMITTEES**

Our chapter cannot be “all that it can be” unless members volunteer and help make things happen. Sharing the load so that many each do a bit, enriches chapter life for everybody.

The chapter is always accepting volunteers who are interested either to fill an appointed position on one of the chapter’s committees (listed below), or to volunteer to work with one of these committees in a support capacity. Committee membership does not require the member to also be on the Board.

Please contact the President or any Board member to discuss your interests.
